

Rural Municipality of Ritchot  
Public Information

# PUBLIC NOTICE

November 25th 2005

Municipal Residents;

Manitoba Floodway Authority (MFA) has established a Groundwater Action Response Plan which includes a 24 hour, seven day a week, toll free telephone line, to respond to well water impacts that maybe experienced by property owners in the vicinity of construction. If you experience problems with your water supply that may be the result of construction, the number to call is

**1-877-456-1201**

If you have any questions about the Ground Water Action Response plan contact MFA directly at 945-4900.
